

What are your financial goals for 2020?

The Christmas season is over, and as we roll over into another year, we begin to think about the future, and how we can make this year the best one yet. Many of us do this through our 'New Year resolutions'. Your resolution may be to eat less sugar, or spend more time with family, or perhaps save up for something special. But did you know that most people have abandoned their New Years resolutions by January 12? So, if you are still pursuing your resolution, well done to you!

At Stewards Foundation, we can help you achieve your financial resolutions. It is our financial philosophy that an individual has two things: an emergency fund, and a generosity of spirit. With a Stewards Foundation Goal Saver account, you can do both of these. You can establish an emergency fund through your account and save it until it is needed.

You can also use the Goal Saver account as a way to be more generous, by saving up to give generously to a missionary, give generously next Christmas, or give funds towards your child's university fees.

Achieve your financial goals through Stewards Foundation in 2020 by visiting our website: <https://www.stewardsfoundation.com.au/goal-saver/>

Don't forget, when you invest with Stewards Foundation, you are helping to fund the growth of Christian Community Churches across Australia.

BUILD2020

Thank you!

We have seen an overwhelming amount of generosity from your donations towards the Stewards Foundation Disaster Relief Fund. Thanks to you, we have raised over \$40,000 for the Community Churches in the bushfire affected areas of Queensland, New South Wales, and Victoria.

However, there is still a need for help. If you haven't already, please give prayerful consideration in donating towards the Stewards Foundation Disaster Relief Fund, so that your donations can be given to the Community Churches who have been affected.

Although these Aussies need help now, the recovery effort will be major, and they will also need our help in the months to come. You can assist in the recovery effort in other ways, by going to the towns that have been affected.

Take a weekend off and go with an empty suitcase so you can shop in their stores. Make sure you top up your fuel tank in these towns as you travel. Every dollar spent helps boost the town's economy again.
