

June Newsletter

**NEWS**
JUNE 2020**HELPING THE COMMUNITY**

The Stewards Foundation Disaster Relief Fund is continuing to assist those who have been affected by recent natural disasters in Australia, and it is all thanks to your help. A team from Discovery Community Church in Yackandandah continue to play a part in the distribution of your donations, by visiting those who have been directly affected by natural disasters and helping them get back on their feet. Recently, they have been visiting individuals in the area of Batlow, New South Wales who have been affected by the fires earlier this year. A team from Discovery Community Church plan to visit a farmer who has received a donation from the Disaster Relief Fund and assist him in erecting some fences on his property.

The connections that Discovery Community Church are making in the community will make a big difference in the lives of these individuals, as they provide support and encouragement, and they are practical examples of how

God's work is being done on earth. If you know of anyone who is in need of financial assistance due to recent natural disasters, please feel free to get in contact with us.

ZOOM SAVER ACCOUNT

If you read last month's newsletter, you would have heard about our latest product, the Zoom Saver. We are excited to share that the Zoom Saver has been very successful, and many new people have joined up and become depositors with Stewards Foundation. We think you should consider it.

Invest a minimum of \$50 per month for a minimum of 12 months and you will receive a rate of 2.05% interest, one of the best in the market today! And even better, your deposits will be contributing to the growth of the CCCAust church movement. These reasons make becoming a depositor at Stewards Foundation an excellent choice, and a benefit to you in working towards financial goals.

If you're interested in signing up to a Zoom Saver account, please email zoom@stewardsfoundation.com.au for more information, or to receive the application forms.

END OF FINANCIAL YEAR

The 2019-2020 financial year has come to an end. So what does this mean for Stewards Foundation Depositors? You can expect to receive your statement over the next week, as they will be mailed out to you. For tax purposes, your statement will display your interest earned over the past financial year. If you don't want to wait to receive your statement, you can look up your interest via Stewards Online. If you don't have a Stewards Online account, give us a call to set one up.

If you receive a tax return for this financial year, consider how you will use this money. Perhaps you can add it to your emergency fund, or invest it into a Zoom Saver account and earn some interest. These funds are great ways to set money aside for your future, so remember to carefully and prayerfully consider how you will spend it.

UPDATE: STEWARDS FOUNDATION OFFICE

Due to the COVID-19 government restrictions, in April the staff at Stewards Foundation began to work from home. As we have seen a significant drop in COVID-19 cases across the country, and some restrictions have been lifting, staff are now working from home part-time and are in the office part-time. This in no way affects the operation of the Foundation, as we have the capabilities and the technology to work from home as well as in the office. If you would like to visit us in the office you are welcome to, however please call ahead before you do, so that we can confirm we will be available to meet with you. We thank you for your prayer over these past few months, and we thank God for the ability to continue his work throughout these uncertain times.
